

Your gift to the Living Tree Legacy allows Greenwood Village South the ability to continue providing transportation services, nutritional and dietary services, health and wellness classes, 24-hour security, and many other programs. Greenwood Village South eliminates concerns associated with aging and provides an environment that allows continued growth, independence, and a lifestyle that honors the individuality and diverse nature of our aging population.

I/We wish to create a legacy that will further enrich and enhance the lifestyles of those at Greenwood Village South.
